- 2.4 The policy aims to ensure that all stakeholder appeals are considered by the most appropriately experienced and knowledgeable staff members.
- 2.5 The policy applies to all stakeholders of Lincoln College, with the exception of staff members, apart from the Research Ethics and Integrity Policy.

### 3 GENERAL PRINCIPLES

- 3.1 The policy has been approved by the Learning Standards Quality Committee.
- 3.2 The need to implement the appeals panel policy should be a rare occurrence in the college and should only be used when all other courses of action have been exhausted.
- 3.3 The college will act in a transparent manner and will make all stakeholders aware of their right to make an appeal to the Lincoln College Appeals Panel (LCAP).
- 3.4 The procedure will ensure that fair opportunity is given to stakeholders to make an appeal and, should they wish, support will be made available to stakeholders when making an appeal.
- 3.5 The procedure will ensure that college staff members are permitted fair representation and are allowed to respond to stakeholder appeals.
- 3.6 Appeals shall be heard by the LCAP, with the precise composition of the panel being flexible to suit the nature of the appeal but will include:
  - A member of the Lincoln College Group Leadership Team  
(*to act as Chair of the LCAP*)
  - A learner/student representative  
(*to provide a user/customer perspective*)
  - A member of the college's Performance and Standards Team  
(*to provide cross college oversight*)
  - A panel member with specialist knowledge  
(*for example Safeguarding, Research Ethics, Examinations*)
  - A member the college's governing board  
(*to provide an external viewpoint and governance oversight*)
  - The LCAP will be supported by a non-voting administrative support officer.
- 3.6 The outcome of the LCAP will have a sound evidence base and will be by a majority decision.
- 3.7 The outcome of the LCAP will be communicated to the appellant as soon as possible, usually within ten working days, whilst also ensuring that full and reasonable consideration has been given to each case and any outcome resulting from the LCAP.
- 3.8 The decision of the LCAP will be final and represent the final stage of the college's internal appeal process.

## 4 PROCEDURE

(refer to appendix A for a flow chart of the procedure)

- 4.1 In the unlikely event of a stakeholder not being satisfied with the response to concerns raised via the policies and procedures noted under section 2.3, the stakeholder should make a formal appeal to the LCAP by contacting [quality@lincolncollege.ac.uk](mailto:quality@lincolncollege.ac.uk) within ten working days of the exhaustion of the procedures stated within the policies and procedures noted in section 2.3. The stakeholder must submit an appeal request form (see appendix B) stating their grounds for appeal.
- 4.2 The Director of Performance and Standards will assign a Case Review Officer (CRO) who will review the case and establish if sufficient grounds exist for the appeal to proceed to the LCAP. The appellant will be informed of this decision and the reasons for outcome within five working days\* of receipt of the request.
- 4.3 Should the CRO conclude that insufficient evidence exists for the case to proceed to the LCAP and the appellant accepts this decision, a Completion of Procedures letter will be issued to the appellant. Should the appellant not accept the decision of the CRO, they will be advised that further requests can be made for a LCAP hearing and should be made within ten working days of the CRO original decision.
- 4.4 Should the CRO conclude that sufficient evidence exists for the case to proceed to the LCAP, all information submitted to the CRO, and any further relevant information they may have gathered, shall be forwarded to the LCAP. The CRO shall ensure that the appellant has had every opportunity to provide as much information and personal testimony as the appellant sees fit.
- 4.5 A LCAP hearing shall be arranged within ten working days\* of the CRO's decision. To ensure the appellant's case has sufficient and appropriate representation, the CRO shall attend the LCAP and present, in full, the information and testimony provided by the appellant. College representatives associated to the case shall also be invited to the LCAP. Appendix C notes the order of proceedings for the hearing.
- 4.6 On conclusion of the hearing or as soon as possible thereafter, the LCAP shall arrive at a majority decision to support or reject the appeal.
- 4.7 Where the LCAP does not support the appeal, a Closure of College Appeal letter will be issued as soon as possible, usually within ten working days\*. The appellant advised of their right to recourse beyond appeal and guided to the appropriate procedure.
- 4.8 Where the LCAP supports the appeal, a resolution shall be proposed to the appellant as soon as possible, usually within ten working days\* of the LCAP hearing and a Closure of College Appeal letter issued. Should the appellant not accept the proposed resolution, they will be advised of their right to recourse beyond appeal and guided to the appropriate procedure.

- 4.9 If, due to exceptional or complex circumstances, the LCAP is not in a position to respond to the appellant within ten working days, the appellant will be notified as soon as possible and a new completion date will be established.

\* outside of term time, the college will endeavour to meet the stated timescales, however, potential delays may be encountered due to restrictions caused by staff leave.

## **5 RECURSE BEYOND APPEAL**

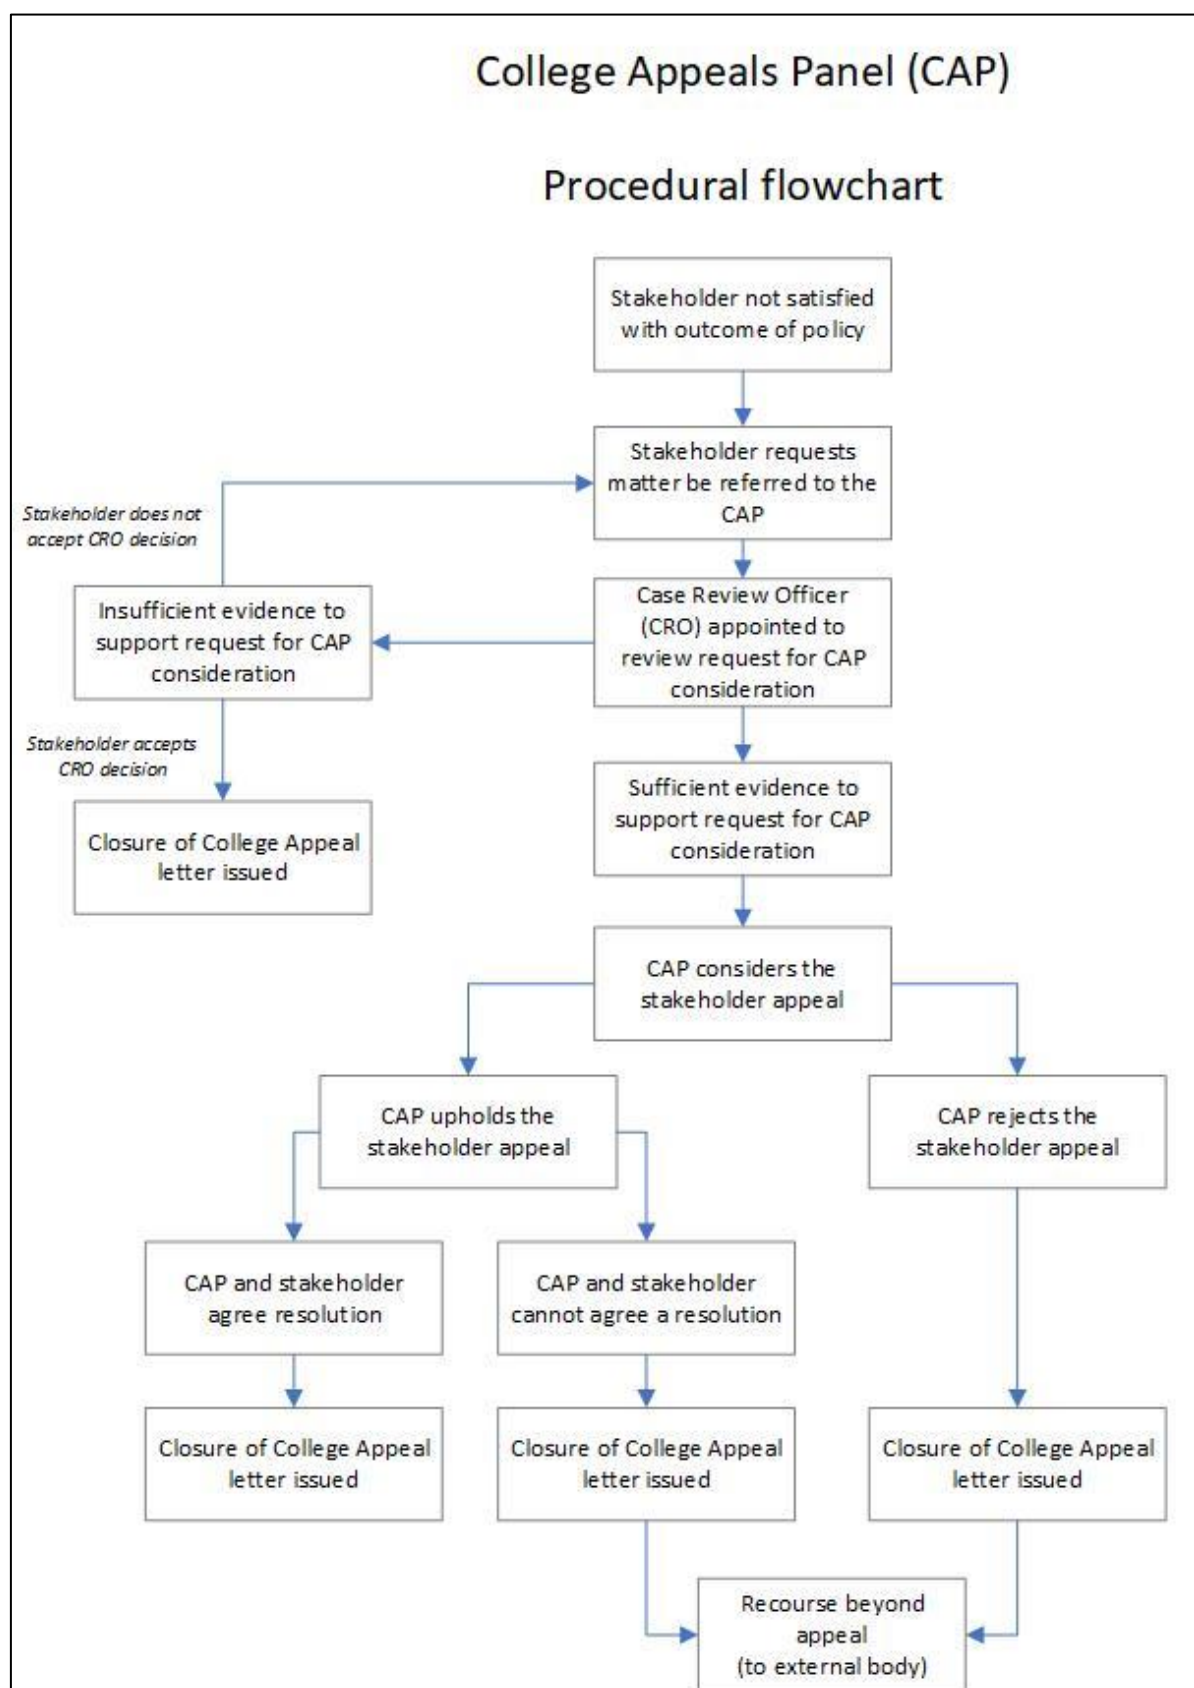

As the terminal point for stakeholder appeals, the decision of the LCAP will be final. Should the appellant wish to take their case further, they must do so to the relevant external body. Specific details for such recourse beyond appeal are available in appendix D.

## **6 REVIEW OF POLICY**

The Learning Standards Quality Committee will review the College Appeals Panel Policy and Procedure on an annual basis and make recommendations for its development.

The Learning Standards Quality Committee will also receive an annual report, illustrating the number and nature of appeals made to the LCAP. This annual report may be shared with other committees at the college.
