

CAREERS PROGRAMME FOR APPRENTICES 2022-23

The intent of the Careers Programme for our Apprentices is to prepare our apprentices for permanent employment in their chosen sector or industry by supporting the development of knowledge, skills and behaviours. Behaviours in particular are the vital transferable skills which employers demand.

This programme provides an overview of the range of careers guidance activities that an apprentice experiences whilst enrolled at Lincoln College.

The Careers Guidance Team are holders of the Matrix Standard for the provision of information, advice and guidance (IAG).

*Activities may be virtual or face to face
