

Lean Organisation Management Techniques

A lean organisation provides the greatest customer value with the fewest resources, a philosophy increasingly important in today's competitive business market. A sound understanding of the concept and benefits of a lean environment, as well as knowledge of business techniques and working in teams, is essential. Our nationally recognised qualification is designed to provide individuals with an appreciation and understanding of some key principles of lean organisation management

Benefits

- Achieve a nationally recognised Level 2 qualification
- Evidence your competency to employers
- Further your personal and professional development
- Learn at a time that suits you without the need to attend college
