

Course Related Costs

Subject to eligibility and availability of funds, you may be able to receive a contribution towards course related costs confirmed as essential by your study area. These include:

- Uniform and equipment
- Stationery (£30.00 maximum)
- Books
- Cost of appropriate rail cards
- Trips
- Travel to a maximum of 2 Higher Education interviews
- UCAS fees
- Examination resit fees

To see if you can receive help towards essential course costs you should upload proof of payment/purchase to a Course Related Costs questionnaire when you complete your on-line Learner Support Fund application. You should upload evidence which clearly identifies what you have paid for, the cost and date of the payment. If your application does not meet these 3 criteria it will be refused. Any support provided will be by BACS payment.

If you are a Hairdressing, Beauty Therapy or Catering/Hospitality student and you or your parents/guardians are not able to purchase your uniform and/or equipment, please upload a copy of your college order forms to your on-line Learner Support Fund application as evidence of cost. Subject to eligibility, the Financial Support Team will then transfer funds to the relevant college department for them to purchase them on your behalf. Due to the high number of requests for support received during the Autumn Term, it will take many weeks to receive your uniform and equipment should you or your parents/guardians choose this option.

Please note that the Learner Support Funds cannot help with the cost of laptops, cameras, etc. Postage and packaging costs, where applicable, will be capped at a maximum of £5.50.

The items listed within this help sheet are subject to change without notice. Information may be updated, modified, or removed at any time.

Subject Area	Items Classed as Essential Course Related Costs	Maximum Contribution Available
